

## **How are parents involved in the school? How can I be involved?**

All parents and carers are encouraged to contribute to their child's education.

This may be through:

- Discussion with the class teacher; informally or during termly parents evenings.
- Discussion with Mr Fenwick (SENCo), Mrs Hill (Head Teacher) or with other professionals.
- Every SEND pupil has a One Page Profile detailing strengths, areas of need and ways in which to support which parents contribute to through our SEND review process.
- Parents are involved in the discussion around their child's SEND Support Plan and are invited to termly review meetings relating to their child.
- All parents are welcomed to assemblies, performances and specific workshops throughout the year.
- The parent group (Friends of Ladybridge), volunteers and student or work experience are a means of being involved in Ladybridge.
