

# Operation Encompass

Operation Encompass ensures there is a simple phone call or notification, to a trained member of school staff, before a child arrives in school. The call or notification is triggered by police recently attending the child's home or being involved in a domestic abuse incident, that the child has experienced.

## Operation Encompass

Operation Encompass directly connects the police with schools to secure better outcomes for children who are subject or witness to police-attended incidents of domestic abuse. Rapid provision of support within the school environment means children are better safeguarded against the short-, medium- and long-term effects of domestic abuse.
